STAY

Suite Room

Manhattan Suite

Layout

Manhattan Suite

Palais Suite

We design hotel propose luxurious suite rooms.

Palais Suite

We promise you wonderful nights at our suite rooms. "Manhattan Suite Room" is black and white stylish design, and "Palais Suite Room" is shabby antique one. Four people can stay at these suite rooms.

Single, Semi-Double, Double Room

Room Type

Single

Semi-Double

Standard-Double

We have two types, simple standard type and designers' type like Scandinavian.

Both types are beautiful and functionally, you can enjoy the difference of style. The theme of designers' type is Scandinavian modern art using some pop colors for accent.

Superior Twin & Double Room

Room Type

Superior Twin

Superior Double

We named "SOHO", this stylish design comes from a penthouse in NY.

You can have so relaxing time at our "SOHO" rooms. This luxury design is made from strictly selected furniture, art and fabrics, and layouts are decided from clients' hotel life.
